HAIR REMOVAL

Our skilled therapists can advise you to see which type of hair removal is suitable for you

Therapist

Senior Therapist

Advanced Specialist

Electrolysis

We use clinical grade devices to ensure a hygienic and correct procedure is carried out.

We use Sterex disposable needle

- 15 mins £18.00
- 30 mins £36.00

Advanced Electrolysis

Skin tag removal can be performed using an advanced electrolysis technique. Skin tags are caused by friction, ageing, poor health and impaired skin. Our organic aloe vera gel combined with calendula will soothe and repair after treatment

- 15 mins £50.00
- 30 mins £85.00

Facial Thread Vein Removal

Thread veins are also known as spider veins and are positioned below the skin's surface. Several factors can cause thread veins including thin skin, damaged skin through incorrect use of harsh products, hormones, genetics, sun damage and inflammation. We will advise you how

to improve your skin strength to prevent further damage. We offer specialised facials and products to encourage skin strengthening.

- 30 mins £55.00

Footcare Specialist

Our skilled footcare specialist, Chelsea Shine, offers specialised foot treatments to soften, hydrate and treat hard skin, poor circulation and bad quality toe nails.

An additional foot peel can be added to pedicure treatments to remove stubborn hard skin to give you soft, fresh and hydrated feet

Please let us know if you wish to book an appointment with Chelsea.

Tanning

Long gone are the days of exposing our skin to damaging UV rays, which damage and dehydrate our skin.

We use the award winning spray tan range from Fake Bake range to enhance your tan, with a choice of different colour depths. This includes the amazing 60 Minute Tan.

Enhance your skin with one of our professional body lotions to hydrate and smooth your skin, whilst prolonging the length of your tan.

- Half Body £15.50
- Full Body £28.50

- 60 Minute Tan Half Body £16.50
- 60 Minute Tan Full Body £33.00
