

Eave Landing Pages Oct. 2017

For all buttons, make then link to <https://helloeave.com/TBD>, we will be editing this after.

Header

- Menu: About Us, Our Rates, Why Eave?, Realtors, FAQ
- Sub-menu for "About Us"

Footer

- Same footer all pages

Home Page

- /
- Simple, only layout
- Need both mobile & web versions
- On mobile, only one of the three testimonials is shown
- Clicking on "Explore Eave's Benefits" should scroll down to top of blue section which starts with "Unprecedented Speed"

Our Rates

- /our-rates
- Please focus on the open state, with the full form (for both web & mobile)
- Hovering over radio buttons should make both the button and the text go green (same green as the logo/refresh/see rate)
- Hovering over (?) should show an information bubble — design on this is TBD

Why Eave

- /why-eave
- Simply, mostly layout

FAQ

- /learning
- (No need to type in all the text, we are still working on it.)
- Key pieces
 - way to layout out questions
 - way to layout answers
- Menu on the left
 - Should follow scrolling, so if you scroll way down in the page, you'd still see the menu on the left
 - We will want to highlight the "current" question on the menu, simply bold and green the question being viewed (based on scroll position)

About Us

- /about-us
- Simple, mostly layout

Realtors

- /realtors
- Simple, mostly layout
